UNITED WAY OF NORTHERN CALIFORNIA RESPONDS WITH RELIEF FUNDS FOR THOSE AFFECTED BY THE BOLES FIRE; TRI COUNTIES BANK DONATES \$10,000 AND INVITES COMMUNITY MEMBERS TO ALSO DONATE

Weed, CA – (September 17, 2014) - United Way of Northern California is responding to the Boles Fire in Weed, CA with onsite volunteers and two relief funds that are available for community members to donate to.

“Tri Counties Bank contacted us wanting to know what they could do to help,” said Wendy Zanutelli, President and CEO of United Way of Northern California, “we were so thankful for their generous donation to start a relief fund.” Tri Counties Bank donated the first \$10,000 to fund the Boles Fire Relief Fund, and they encourage community members interested in supporting victims of the Boles Fire to stop by any branch of Tri Counties Bank to make a donation. Rick Smith, President and CEO of Tri Counties Bank stated, “These are our neighbors, our friends and our customers. We want to do what we can in the short term to meet the immediate needs of the community. And we’ll be there in the days, weeks and months ahead as the community rebuilds.”

All checks or other items should be made payable to United Way of Northern California with a note on the memo line ***The Boles Fire Relief Fund***. Funds will be dispersed through United Way of Northern California to support the immediate needs of victims, including food, clothing and shelter. Donations are tax deductible.

United Way of Jackson County opened an account at US Bank for those affected by the Boles Fire. All funds collected will also be disbursed through United Way of Northern California for relief efforts in the community. “The Oregon community expressed a great desire to help their Northern California neighbors affected by this disaster so the Jackson County United Way opened this fund on our behalf. This partnership illustrates the power of the United Way network,” said Greg Balkovek, Chairman of the Board of United Way of Northern California. Donations can be made at all US Bank Branches.

United Way will not hold any fees from the donations made to either fund. 100% of the donations will directly benefit the relief efforts.

Other organizations responding to the effort are also accepting donations including the American Red Cross, the Salvation Army, Northern Valley Catholic Social Service, and the Shasta Regional Community Foundation. “We are all working together to coordinate efforts and utilize donations where they are most needed,” Zanutelli stated, “In addition, several of our corporate partners are ready to deploy their employees as volunteers as the rebuild efforts begin.”
